93rd YEAR No. 32 FIFTEEN CENTS

School board to offer teachers 2-year contract

Offering two new benefits to teachers, as well as percentage increases in such areas as salary, the Antioch Grade School Board of Education adopted a two-year contract which it was scheduled to present to its teachers today.

District 34 Grade School Supt. Donald Skidmore said the contract, covering the 1978-79 and 1979-80 school years, contains more than 30 pages of provisions regarding employment, teachers' association rights and employee rights and benefits.

He said in addition to other benefits, the two-year contract will provide each employee with the following economic benefits:

1. Salary - A 14.10 percent raise for the average teacher over a two-year period. Skidmore said this includes such areas as professional advancement, to cover the teacher who gains graduate credit and years of experience.

2. Major Medical Insurance - The board will pay \$334 annually in 1978-79; \$360 annually for 1979-80.

3. Life Insurance - The board will provide each employee with \$10,000 in life insurance, beginning with the 1979-80 school year.

Skidmore said this is a brand new contract feature for the teachers.

4. Paid Sick Leave - 15 days per year, cumulative to 200 in total.

Skidmore explained that this is a standard practice of the board, although a new feature is that personal days would not be subtracted from these sick leave days.

5. Paid Personal Days - Up to two days

annually. Skidmore said these days would not be taken from sick leave days.

6. Paid Holidays - Nine per year. This has been the standard practice of the board, Skidmore explained.

7. Tax Shelter - The board will tax shelter seven-eighths (or eight percent) of the money each teacher pays for his or her retirement, beginning with the 1979-80 school year.

Skidmore said this is another new contract feature and would enable teachers to report and pay less taxes, although teachers would have to pay taxes on the money once they retire.

8. Increments - An average of six percent raises each year would be granted for student activity sponsors, acting principals, department chairpersons and coaches.

The superintendent said this feature is new, in a sense, since the increments these people have received traditionally are now specifically defined.

AS TO WHETHER the teachers will accept these proposals, Skidmore said, "We'll have to wait and see what happens. I wouldn't want to speculate."

He added that all the major issues the teachers had wanted to negotiate on in their contracts were touched on in the board's offer, with the exception of two areas.

These included binding arbitration, he said, involving bringing in an outside third

Blaze consumes pump in accident

A minor traffic incident resulted in a fire Wednesday afternoon, Feb. 7, at Mancuso's Standard at Main Street and Park Avenue in downtown Antioch.

An automobile driven by Douglas C. Everett of Camp Lake, Wis., struck a gas pump in the service station, causing the fire.

The Antioch Fire Department extinguished the blaze which consumed one gas pump and did minor damage to another, Fire Chief Todd Maplethorpe said.

Also, Monday was initiation day for Antioch's new pumper that was delivered last week. The new pumper, which cost \$77,400, was purchased by the First Fire Protection District of Antioch from Peter Firsch & Sons in Kenosha.

Its first call was an early morning car fire that totally destroyed an automobile owned by Martin Dorwart.

The car was parked on Rte. 83, approximately one mile south of Rte. 173.

The new pumper also responded on a smoke investigation, later Monday afternoon, on Lake Boulevard off of Grass Lake Road at the Horle residence. Firemen said they found an overheated furnace.

With the additional snowfall over the weekend, the Antioch Fire Prevention Bureau asked that residents and business men once again shovel out buried fire hydrants in front of their homes and businesses.

Grade school board adds 2 days

The grade school board decided to add two attendance days to the school calendar this spring in order to dismiss school earlier on June 8 instead of June 12.

Supt. Donald Skidmore explained that the grade school district 34 thus far has used four emergency days due to snowstorms. "If we were to use no more days, we would be ending school on Tuesday, June 12, he said.

Since the board decided it would be better to dismiss school on Friday, June 8, and to reschedule two vacation days, any more emergency days used would be recovered in scheduled vacation days.

The board approved making April 2 and April 3 regular attendance days in order not to interrupt the full vacation week of March 26-30.

They also said April 16, the Monday after Easter, would be rescheduled as a regular attendance day in the event of another snow day.

Skidmore said if the board has to use more than the additional snow day, the week of June 11 to 13 would have to be rescheduled as school days.

If any more emergency days were used, the student attendance days beginning March 26 would have to be rescheduled.

In other business, the board decided to staff the elementary libraries with aides and fund the libraries at a rate of \$10 per child, beginning with the 1979-80 school year upon Skidmore's recommendation.

Also, in order to gain access to a wide range of good films and video tapes, the board approved budgeting for membership in a film co-op at an approximate cost of \$4,000 to \$4,800.

Skidmore explained, "One of the fundamental programs we are lacking in the Antioch Elementary schools is a strong library-media program. In the past, this program has been both understaffed and underfunded."

He added, "The Upper Grade School has a librarian but does not receive enough funds to develop a good, comprehensive multi-media program.

He explained that the combination of funded and staffed library programs in all schools, plus the membership in a film co-op ought to enable the district to develop a strong library program.

The approximate cost for the program would be as follows:

Library materials, \$7,000; Library aides, for Oakland and Antioch Grade schools, \$10,360; and film co-op, from \$4,000 to \$4,800.

The total cost for the project, not including a library aide for the new W.C. Petty Elementary school, would be from \$21,360 to \$22,160.

In other business, the board accepted the resignation of Robert Wendtorf, a custodian at the Upper Grade school, effective Jan. 17. He said he opted to go back into private business.

'Dollar Days' set

The Antioch Chamber of Commerce & Industry Retail Committee is scheduling the annual Dollar Days sales, promotion for Thursday through Feb. 21.

Participating stores will be displaying banners in their windows. The Chamber asked that shoppers watch for the banners and the names of the stores

listed elsewhere in the advertisement in the Antioch News.

This annual event is a final reduction sale on a variety of merchandise and service, the Chamber added.

Be careful when picking tax preparer, IRS warns

Shop carefully when picking the person to prepare your tax returns or it could end up costing you more than you bargained for, the Illinois Department of Revenue advised taxpayers.

You are legally liable for any errors or oversights on your returns, regardless of who filled it out for you, officials warned.

Any interest or penalties that result are the responsibility of the taxpayer, they said.

Department officials pointed out that most tax preparers are honest, competent professionals who perform a valuable service and won't mind if you ask about their qualifications and fee schedule in advance.

However, the department warned taxpayers to beware of the tax consultant who:

- promises a large refund or uses his or her address for any refund due.
- refuses to sign the return as the preparer (the preparer is required to sign along with the filer)
- requires a percentage of the refund
- asks the taxpayer to sign a blank or incomplete return or a return made out in pencil.

Taxpayers who suspect improper activities by a preparer should contact the revenue department's Investigation Division in Chicago at 312/793-3101.

Letter
Thank-you for honor

[Editor's note: The following is a letter written by W.C. Petty, former superintendent of Lake County schools, to the Antioch Grade School Board of Education.]

Dear Board Members:

To each and all of you I express my sincerest thanks and deepest gratitude for the honor you have conferred upon me in naming your newest school for me. You have thrust upon me a greatness, unattainable by birth or by my own achievement.

I have been deluged with congratulatory notes, phone calls - along with face to face expressions of joy toward me. Surely some of these plaudits and words of acclaim are reaching your ears. After all, you are the benefactors in this and so many episodes throughout the school district.

Membership on a board of education in these times is a perilous and self-sacrificing position. I admire your steadfastness in solving the difficult problems confronting you in rapid succession.

In serving your community as a school board member you are discharging in full any debt you may owe society.

My wife and sons join me in thanking you for awarding to me the highest honor within your power to give. You have made an old school teacher supremely happy in the eventide of his life.

Your friend

Skinner reports
average RTA workers
salary is \$27,143

The Regional Transportation Authority fiscal year 1980 budget reveals that the average salary and fringe benefits for the approximately 17,500 persons employed by mass transportation providers will be \$27,143 next year, reported Rep. Cal Skinner, Jr., (R-McHenry County).

"I was shocked to discover that the RTA bureaucrats, CTA employees, commuter railroad personnel and suburban bus company employees are that well paid," the McHenry County lawmaker said. "I suspect most taxpayers will agree with me."

Postal survey
to determine
customer need

The Antioch post office is taking part in a postal survey to determine customer needs. Postmaster Wayne Van Heirseele said.

"Survey findings are expected to lead to shorter waiting lines and more conveniently located postal stations," he said.

Postal employees are asking every 10th customer: "What was your last stop before you came into the post office?" and "What is your next stop after you leave the post office?"

Customer purchases including stamps, money orders and registered letters will be tallied. Whether there are lines waiting for lobby services, and how large they are, also will be checked.

Postmaster Van Heirseele said a long-range benefit of the survey will be determining locations for new postal facilities.

"We want to make sure that such facilities are located most conveniently to customer traffic," he added.

"Happiness is activity."

50 YEARS AGO: FEBRUARY 13, 1929

Plans for the establishment of a group of new tribes of the Improved Order of Red Men in Lake County are under consideration by the Great Chiefs of Illinois. Antioch is a possible site for the Red Mens Lodge.

Proving himself to be an able 155 pounder, Al Tiffany, Antioch, is starting for the U. OF W. wrestling team. Tiffany is the son of A.N. Tiffany, internal revenue collector.

Two Antioch men, C.L. Kutil and D.H. Minto, were elected officers of the Lake County Farmers Institute at the meeting on the Model farm, Mundelein, Friday.

Paul Allanson is the champion cow caller in these parts. Mr. Allanson "outcalled" a string of other contestants and walked away with the handsome old-fashioned cow bell hung up as a trophy in the contest.

Repairing on all makes of cars is being done by Delain "Slim" Rigby since he has taken over the repair department formerly used by the Wetzel Chevrolet Sales. Mr. Rigby is prepared to do tire repairing, car washing, battery charging and towing. He has much experience in this line of work.

The Bristol telephone company has been sold to the American Union Telegraph company. The Bristol Mutual Telephone Company was organized in 1903. A meeting was held and stock issued to the amount of \$1,000. Each subscriber purchased his individual telephone and was expected to take stock at \$10 a share. Economy being necessary, the poles were cut and hewn from white oak trees from the forest. The first line connected with Union Grove and Salem and then branched out into neighboring districts. As many as 28 subscribers were sometimes on one line.

30 YEARS AGO: FEBRUARY 10, 1949

One hundred and twenty-five persons attended the meeting of the P.T.A. of Antioch Township High School Tuesday evening at the school auditorium. Harry Behrman spoke of causes and prevention of crime. He was introduced by Mrs. Henry Rentner, chairman of the society. The school's swing band played and Sue Garland and Ted Glyiski played accordion solos.

The Antioch fire department was called to the Esmaud farm a half mile north of Rte. 173 on Rte. 45 at noon Monday where flooring caught fire while water pipes were being thawed out.

Antioch's new fire station remained unused this week while the contractor and architect argued over the condition of the building. In the meantime the firemen are disgusted over the whole situation and are wondering if they ever will get to occupy their new quarters. Fortunately the old fire barn is usable and the new pumper does not sit in the open.

Many a love message sent out for St. Valentine's Day will find its way into the dead letter office this year instead of the object of the persons affections just because he or she failed to put on enough postage. The new postal law that went into effect this year makes it necessary to put a 2 cent stamp on an unsealed letter instead of a 1½ cent stamp if the envelope is not a regular size. Uncle Sam says odd size envelopes and that means the tiny ones are too hard to handle so an extra charge of ½ cent is levied.

Rev. and Mrs. Messersmith and Mrs. Ora Davis attended the P.T.A. meeting at Browe school Thursday evening where Rev. Messersmith showed colored slides.

10 YEARS AGO: FEBRUARY 13, 1969

A progressive program for a progressive slate is the way former mayor Murrill Cunningham put it as he unveiled his plans for municipal betterment for Antioch.

Grandmothers and favorite babysitters will be honored at guest night of the monthly meeting of the Lake County Mothers of Twins Club, Feb. 20.

In this year of 1969, women will emerge in an "Era of Elegance" when the jazz and pizzazz of "Mod" is outdated for the hypnotic salm of "chic." So says Clara Merryman of Clare's Beauty Salon, 400½ Lake Street.

CLC board nominations available

Nominating petitions are now available for the College of Lake County Board, District 532, for an election to be held on Saturday, April 14.

Two board positions, the expiring terms of Arthur J. Katzenmaier and Glenn Carlson, will be filled. Each term is of three-year duration.

Petitions may be obtained in the Business Services Office, Room A-101, in the main building at the Grayslake campus between the hours of 8:30 a.m. and 4 p.m. Monday through Friday.

Candidates for the board must be residents of the college district and registered voters.

District 532 includes all Lake County high school districts except Barrington and Lake Forest.

Petitions must contain at least 50 signatures of registered voters in the district and may be filed with Arlene Cederberg.

Petitions will be accepted from 8:30 a.m. to 4 p.m. Monday through Friday beginning Wednesday, Feb. 28, through Friday, March 23.

Ballot position for all candidates who present their petitions at 8:30 a.m. on the first day of filing will be determined by lot in a public drawing.

Ballot position for all other candidates will be in the order in which their petitions are filed.

For more information on the election call Vernon Manke, secretary of the Board of Trustees, at 223-6601, ext. 203.

Emergency aid office to be in Waukegan

The Waukegan/Lake County Chamber of Commerce office will serve as one of the 15 emergency offices throughout the state to aid victims of the Blizzard '79.

Charles Ofenloch, chairman of the board of the Chamber, indicated the disaster office will operate Monday thru Friday, 9 a.m. to 7:30 p.m.; Saturday, 9 a.m. to 5 p.m.; and Sunday, 7 a.m. to 4 p.m.

The phone number for physical disaster assistance information is 473-2882.

Forty-one Illinois counties recently were declared a physical disaster area by A. Vernon Weaver, small business administration administrator.

Weaver's action enables homeowners and tenants, business people and farm-

ers, churches, private schools and other non-profit organizations in the affected areas to qualify for low-cost, long-term small business loans to restore or replace damaged property not covered by insurance.

Miss Antioch contestants

Kathy Sterbenz plays varsity tennis

Curly-haired, hazel-eyed Kathy Sterbenz, 18, a candidate in the Miss Antioch contest, is an avid tennis player.

She's a varsity player at Antioch High School, where she is a senior. Kathy's love of the sport will bring her to a university in Texas sometime next year "where I will be able to play tennis year-round."

At high school, she is also editor of the school yearbook, "The Sequoia" and is involved in taking pictures and designing the layout. "I'm very interested in photography," she added.

Her interest in student publications will extend into college, she said, as she would like to major in

communications with an emphasis on broadcasting. "I'd like to do the behind-the-scenes work, such as directing."

Kathy said she would like to study abroad next fall for one semester through a World Campus Afloat program.

"I would travel for three or four days and port for three or four days," she explained. Traveling via a Western route, her first stop would be near the Hawaiian Islands and then on to the south Pacific.

Kathy explained that her sister Lynne, 22, had gone through the program which was a very educational process.

Also, Kathy teaches disco dancing at Antioch Bowl. "Sometimes I have a class of up to 34 people," she said, adding that she teaches both adults and teenagers.

For the talent portion of the contest, she said she will dance a version of jazz.

Kathy is the youngest of four children of Marilyn and Joe Sterbenz.

Besides her sister Lynne, she has a brother Dan, 26, who is married, and a brother Ken, 24, who was recently engaged.

JULIE GUTOWSKI

Julie Gutowski loves to dance, bowl

Julie Gutowski, 20, candidate in the Miss Antioch contest, said she loves to bowl and dance.

The blonde, blue-eyed contestant, daughter of Louise and Joe Gutowski, said one of her hobbies is bowling, "which I do 90 percent of the time" in leagues and classes which she teaches.

On Mondays and Fridays, she bowls in leagues and on Saturday she said she coaches eight to 12 year olds, both girls and boys, sometimes more than 40 in one class.

Julie also loves to dance — anything from disco to 50's style, jitterbug to the twist. She said she practices dancing with her partner on Friday nights and at local dances.

"I really love it. It's a lot of fun," she added.

Julie has been working as an assistant accounting clerk at Anchor Hocking in Gurnee for the past six months.

"I never thought I'd want an office job, but I love it there," she admitted. "I work with computers a lot too."

Previous to working for Anchor Hocking, Julie worked at Antioch Answering Service after graduating from Antioch High School in 1976.

"That was an experience all in itself. I met a lot of

interesting people over the telephone and handled some Rescue Squad calls. It was hectic sometimes but I liked it," she explained.

Julie said if she was awarded the scholarship, she would use it to take accounting, computer processing and other business classes at the College of Lake County to aid her in her field.

For the talent portion of the contest, she said she will sing "something from Barbara Streisand's music."

In high school, she was very involved in music as she was a member of both the Swing Choir and the Acappella Choir.

She also was active in musical productions both in high school and at the PM&L Theatre, such as "The Sound of Music," "Hello Dolly," and "Cabaret."

She also was involved in student council and in sports while in high school.

Her family, besides her parents (whom she termed the greatest people in the world) includes two brothers, Jeff, 22, who is married, Jim, 18, and one sister, Jeri, 11.

party to negotiate a contract, and the definition of seniority.

He explained that the board "would not buy" bringing in a third party negotiator, since "he would have no obligation to the community" once the contract was drawn up.

On the other area, the definition of seniority, Skidmore said the teachers' association would like a straight seniority clause.

However, he said the board "can't accept that" because the district would essentially "end up having teachers that

weren't qualified" to instruct certain classes.

REGARDING THE CONTRACT proposal and teacher negotiations, the board announced.

"The contract is a fair and equitable settlement which places the Antioch elementary teachers among the best paid elementary teachers in the immediate area and is still within President Carter's salary guidelines.

Negotiations between the teachers' association and the board of education has been going on now for some 10 months, involving over 25 meetings.

Distributive Education Only 3 take out is 'really on the move' petitions for village trustee

Students involved in the Distributive Education program at Antioch High School said it is "really on the move."

One participating student, Tina Dorich, said, "Many people think the only benefit the students receive is getting out of school early."

However, she explained that the program is very educational in a variety of ways.

The program can be broken down into three areas, she added: classroom education, on-the-job instruction and participation in club activities.

In the classroom, the students learn about selling, displaying, and advertising techniques. Students said positive work habits and human relations needed to be a successful business person are also discussed.

After school, the students go to work where they receive further instruction and apply what they have learned in class.

The students also get involved in DECA Club, a national organization with members all over the country.

The activities include: selecting officers and holding meetings, competing in state and area contests, organizing fund raising projects, and holding an annual employer, employee banquet.

This is when the students show their appreciation to their employers for the help and cooperation they have given throughout the year, Miss Dorich said.

Through a daily class, a job, and club activities, the Distributive Education students at Antioch High School are very busy and enjoying it, she added.

As of Monday night, only three petitions had been taken out for village trustee seats for the April 17 election.

The three candidates are Trustees Arnold Weber, William Seemann and Edgar Simonsen, whose terms will expire.

They are seeking to be re-elected under the Citizens Party.

Tuesday was to be the last day to file nominating petitions and Village Clerk Marilyn Sterbenz said no one else had taken out petitions.

Part of Rotary's Youth Exchange

Matt to be our representative in Venezuela

by Sue Nasenbeny

A year away from his family and friends in another continent — it could be intimidating to the most independent person.

But Matt Firestone, a 16-year-old junior at Antioch High School, is willing to take on that experience as a student ambassador for the United States through the Antioch Rotary Club's Youth Exchange program.

Matt will be the first outbound student Antioch Rotary has had and will travel Wednesday to San Cristobal, Venezuela to live with host parents of the Rotary Club in that city of 250,000 people as well as attend school there.

"I'm not scared to death," he said. "I'm really looking forward to it."

Matt has had three years of Spanish at Antioch High, but said he knows it will take a few weeks before he can really communicate with his host parents, Mr. and Mrs. Luis Erique Mogollon, who do not speak English.

His parents, Dean and Audrey Davis of Antioch, said the venture "should be a good experience for Matt. The reason the Rotary has this program is that they want to promote international friendship and understanding."

"It's not a vacation, he's preparing for responsibilities," Mr. Davis added.

Mrs. Davis pointed out "It's a nice feeling to know there are people who are already concerned about Matt in San Cristobal." She explained that the host parents had called her and a translator had explained that they were worried about Matt's airline connections.

MATT FIRST BECAME interested in being an exchange student about a year ago. He looked into various exchange

programs with his parents and they said they decided on the Rotary's because "we were impressed with the Rotary and the people involved," Mr. Davis explained. "Especially (Youth Exchange Chairman) Wayne Parthun. He's done a fabulous job of helping to put things together."

"It's a fantastic program," he added. The family had an exchange student from Brazil for six months from a different program and said the Rotary was far more organized and responsible with its students.

Matt found out about the Rotary's program at the high school and talked to the chief guidance counselor there, Mr. Kurek. He then informed the Rotary about Matt's request.

He was instructed to fill out the proper forms and then was interviewed by members of Antioch's, as well as the district's, Rotary Club.

Matt said he was questioned on what he thought were the five major issues facing the world as well as the five top issues facing the United States.

Matt also had a choice on where he would like to go as an exchange student, provided he would also go somewhere else if he could not get his first choice.

He said he chose South America because he thought he could adapt to the language more easily with his basic knowledge of Spanish, and because it was an "emerging area" that not a lot of people knew about.

He specifically wanted to go to Venezuela, he said, because it had a democratic form of government and was highest in the standard of living of all of the South American countries, with its modern, developed oil industry.

Matt also said he was attracted to its climate, which never goes much below 70 degrees or above 90 degrees, located about 4000 feet above sea level in the Andes

Mountains, which are comparable to our Rocky Mountains.

Also, the city is only about 65 miles from the Atlantic Ocean.

WHILE DOWN IN Venezuela, Matt will be expected to give a presentation about his village to members of San Cristobal's Rotary Club.

Mr. Davis said his experience is actually a "community project" and that Rotary members and village and school officials have been "marvelous" in helping Matt prepare for his presentation.

The Antioch Rotary has given Matt 15 club flags to distribute while there, and other officials have given him Sawmill buttons, slides for a pictorial presentation of the village and a jacket representing Antioch's Bicentennial celebration.

Also, Art Neckermann of Valient Industry is giving Matt five hand-crafted pewter representations of Abraham Lincoln to give his hosts as gifts.

Matt will stay with at least two host families, he said, in order to give him different views on the lifestyle of the city as well as to establish a broader cultural base.

He explained that he would not want to assume that all families in Venezuela were the same based on his experiences with one.

THE ROTARY CLUB, he said, takes the responsibility as his host and Matt has responsibilities to both clubs (Antioch's and San Cristobal's) as part of the Rotary's commitment.

Rev. Stanton to preach as part of centennial for United Methodist Church

Rev. and Mrs. Stanton at their wedding in 1923

As part of their year-long centennial celebration, the United Methodist Church of Antioch has invited Rev. E. Lester Stanton to preach at the 10:30 a.m. worship service on Sunday, Feb. 18.

Rev. Stanton served as pastor of the Antioch church between 1923 and 1926. He then served churches in Glenview, St. James, Hinckley, Plano, Lena, Southlawn, and Gresham.

After his "retirement" in 1956 he served as an associate in Riviera Beach and Cocoa, Fla.

He presently serves as Pastor Emeritus and associate at the Kingswood United Methodist Church in Buffalo Grove.

Rev. Stanton has been associated with the Boy Scouts for 50 years and is active in several senior citizens groups. There will be a special reception in his honor following the service.

Antioch Woman's Club hears noted humorist

The Antioch Woman's Club held their regular meeting at the First National Bank of Antioch on Monday, Feb. 5. President Jean Rockow welcomed all members and guests.

Fern Fels, noted humorist, entertained with her witty and nostalgic anecdotes of a past generation.

Thelma Anderson, Mary Polley, Kathy Cirone, Irene Williams, Gerry Olson and Ruth Jedele were named as the nominating committee to elect club officers for the coming year.

Florence Babusek was nominated as program chairman. Hostesses Jean Benes, Florence Ruck, Carol Delaney Jr., Judy Phillips, Alice Scheske, Mary Polley, Dolly Radke, Henrietta Albergo and Irene Teresi served delicious refreshments.

The next meeting will be held at First National Bank of Antioch on Monday, Feb. 19 at 1 p.m. Program will be "Crisis Connection" by Pat Smith.

Antioch's Dollar Days start tomorrow and will continue at all participating stores through Feb. 21.

This annual event is the final winter reduction on a variety of merchandise. Be sure to take advantage of these great buys by checking elsewhere in today's paper for more detailed ads.

CO-OWNERS OF HAIR Designs Unlimited, Sandy and Karen recently returned from a workshop for the new hair styles for spring and summer.

They tell me "Retro" is in and they have learned to do the precision cut. Are you daring enough to try?

THE ATTRACTIVE receptionist at Chalet Realty, Vikki Vaughn, won't greet you anymore.

Vikki and her husband, Larry, are the proud parents of a baby girl, Colleen Marie.

Congratulations to all three and enjoy your new profession, Vikki, as housewife and mother.

CAN YOU BELIEVE IT? A candlelight dinner at McDonald's.

The famous fast food restaurant is going to change its image Valentine's Day (Wednesday, Feb. 14) with table service and all the romance of candlelight.

So, bring your loved ones and enjoy your Big Mac as you would lobster.

MIKE SEXTON, of Antioch Auto Parts, says he will be opening his new store next Monday regardless.

The attractive store at Rtes. 173 and 83 gives the impression of being "humongous," but Mike said, "it will be just right for his operation."

It sure looks big to me.

I SAW SANDI Stewart last week. You remember Sandi from the days she managed Four Squires in Antioch.

Now she manages their store in Hawthorn Center and looks as good as ever.

HAPPY VALENTINE'S DAY, EVERYONE.

Deadline Thursday for Miss Antioch

The Antioch Chamber of Commerce & Industry said they are pleased with the "last minute" response from Miss Antioch Pageant applicants.

The deadline date is Thursday.

The Pageant will be held Saturday, March 24th and tickets will go on sale this week.

Members of the Pageant Committee will be contacting local businessmen to solicit donations, she added.

The Chamber needs everyone's support, Mrs. Trezise said. "We want to make this a worthwhile endeavor for the girls through scholarships."

The next committee meeting will be with all of the contestants and their parents on Thursday at 7 p.m. at the First National Bank.

The Chamber said they will be calling, knocking on doors and stopping residents on the street to ask for financial support. They said they could also use a few more committee volunteers.

The chamber office can be contacted at 395-3381, with any questions or offers of assistance.

Mrs. Trezise added, "Sorry guys, but we already have all the judges we need!"

Nominations sought for Antioch's VIP award

Nominations are being sought for Antioch's annual VIP award this year, St. Peter's parish officials announced.

The 11th annual VIP dinner-dance will be held Saturday, March 31 at St. Peter's Social Center.

Officials asked that Antioch residents "make their personal and careful choice of a candidate for this honored position."

They asked that residents name their VIP candidate and follow with an explanation as to why they feel a particular person merits the title of VIP of Antioch.

Previously honored at Antioch VIP dinners were Jim McMillen, W.C. Petty, William Brook, Rudy Eckert, Albert Dittman, Fern Watson, Elmer and Geri Zimmerman, Herman Holbeck, Hank and Ricky Apostol and Gene and Eileen Zannini.

The deadline for accepting ballots is 1 p.m. Sunday, Feb. 25. Ballots can be mailed to St. Peter's rectory, 577 Lake St., Antioch.

Phone call ballots will be accepted, officials said, but a written entry is preferred. The phone number is 395-0274.

MY NOMINATION FOR 1979 VIP to be honored on March 31, 1979 is:

Immunization clinic set

A combined immunization, hearing and vision screening clinic for children will be held Wednesday, Feb. 21 at the St. Peter's Church Hall, 557 Lake St.

This free clinic will be conducted by the Lake County Health Department and will be open from 9 a.m. to 11:30 a.m.

Appointments are not necessary. A parent or guardian must accompany all children.

This is an excellent opportunity for parents to have their children immunized against Polio, D.P.T. (Diphtheria, Whooping Cough, Tetanus), Measles, Mumps, Rubella (German Measles) and to determine if their hearing and vision are normal.

All pre-school and school age children are welcome. Parents are asked to bring their children's past immunization records with them so that current immunization needs can be determined.

If the child has an im-

munization letter from the school nurse, it should also be brought to the clinic.

Other immunization clinics are held on Tuesdays from 1 p.m. to 3 p.m. and on Thursdays from 9 a.m. to 11 a.m. at the Belvidere Medical Building, 2400 Belvidere Road, Waukegan.

No appointment is necessary. A clinic is also held at that location on Saturday mornings, by appointment.

For further information or Saturday appointments call the Lake County Health Department, 3010 Grand Ave., Waukegan, 689-6761.

St. Peter's school celebrates Official's Day

As a special celebration of Catholic Schools Week (Feb. 5 to Feb. 9), St. Peter School students took part in two innovative and beneficial days, school officials said.

On Feb. 9, the school children celebrated Officials' Day, on which they honored the officials of the town of Antioch for their individual actions in behalf of the citizens of Antioch in general, and the children and staff of St. Peter's in particular.

The officials were honored at a school assembly last Friday. Speeches were prepared and presented by the eighth grade social studies class and were accompanied by plaques signifying the students' gratitude for services rendered.

Special citizens of Antioch honored on Friday included: Michael Haley, mayor; Betty Lou Williams, Antioch Township librarian; Dave Heath, Rescue Squad captain; Charles Miller, police chief; Charles Maplethorpe, fire chief; Donald Skidmore, Antioch Grade School superintendent; Warren Polley, Antioch High School superintendent and Walter Shepard, superintendent of public works.

Earlier in the week, seventh and eighth grade students took part in a Career Day, designed to acquaint them with some of the kinds of careers available and to meet some of the people who enjoy those careers.

The keynote speaker for the day was Ms. Dorothy Michno, career counselor of Warren Township High School, Gurnee.

Ms. Michno set the tone for the day by explaining to the students that although no binding decisions about careers are made at the age of 13, it is wise to begin to think and to plan for the future and to be ready for opportunities as they arrive.

Other speakers for Career Day included representatives from many and varied occupations: nurse, sales manager, service manager, medical technologist, electronics expert, emergency medical technician, beautician, computer programmer, engineering draftsman, photographer, auto mechanic, truck driver, bookkeeper, police department, U.S. Navy, utility company and banker.

Not all careers were included in this, the first day of its kind at St. Peter's, but the day was declared a success by children and adults alike. It is hoped that it will be only the beginning of many successful days of this type, school officials added.

PART OF SCHOOL Officials' Day meant handing out congratulatory handshakes. Representatives included, from left, Donna Gutowski, eighth grade secretary, Julie Fritz, vice president, Todd Maplethorpe, fire chief,

Betty Lu Williams, township librarian, Father Francis L. Johnson, Michael Haley, mayor, and Andy Runyard, president of the class.

SINGING "THIS LAND is my Land" are these pretty little ladies of St. Peter's school during Officials' Day.

IN THE PHOTO TO the left, Mayor Michael Haley explains to the St. Peter's student body, of which he once was a member himself, the importance of obeying their parents.

Above, Supt. of Antioch Grade Schools Donald Skidmore, left, Dave Heath, head of the Rescue Squad, Father Kub and Supt. of Antioch High School Warren Polley discuss a point after ceremonies of St. Peter's Officials' Day. (News photos by Sue Nasenbeny)

Musical 'whodunit': a funny, funny production

By Erlene Pearce

"Something's Afoot," a new murder mystery musical by James McDonald, David Vos and Robert Gerlach, premiered Saturday night at PM&L to a full house.

An unlikely group is invited by Lord Dudley Rancour to his country estate on an island in the middle of a lake in England, and to add to the suspense a storm whips up, washing out the bridge ... the only means of escape.

For what reason was this particular group of people gathered for the weekend? Aileen Biel, superb as Miss Tweed the amateur detective almost convinces us she has the answer ... almost.

A story within a story begins to evolve when Irene Hahn as Lady Grace Manly-Prowe and Paul Biel as Col. Gilweather discover they've met before — romantically.

Rosline Scheske has a beautiful voice and portrays Hope Langdon with bubbly enthusiasm.

The love interest is supplied by David Krostal in the part of Geoffrey who happens on the party when his boat

capsizes on the island.

Ken Scheske, as the family doctor, Dr. Grayburn and Bruce Stamm as Nigel Rancour, the nephew, complete the list of invited guests.

But there is still Clive, the butler, portrayed by Al Kessie, Bill Sershon as Flint the caretaker (also known as "the gripper" for obvious reasons) and Tricia Schaefer does her usual professional job as Lettie the maid.

The reason this funny, funny play moves along so well with perfect timing and pauses is obviously due to the fine direction of Ken Smouse, and the three-piece orchestra with Tracy Kiederlen on piano, Brian Kovach on bass and Karl Heilgeist on percussion.

Listen carefully, the words to the songs are truly innovative, especially "Something's Afoot, But The Butler Didn't Do It" and "I've Got A Tiny Little Dinghy."

The trouble is the audience is laughing so loud, some of the lines are missed!

This two-hour "whodunit" will run two more weekends, Feb. 16, 17, 23 and 24 to full houses so be sure to make reservations by calling 395-3055.

WHODUNIT IS EXACTLY what you'd like to know at the PM&L's current production of "Something's Afoot," to continue this weekend. Here Col. Gilweather (Paul Biel) and Dr. Grayburn (Ken Scheske) pause during a rehearsal.

MATT FIRESTONE, we'll miss you! The junior at Antioch High is going to be leaving us today and will be headed for Venezuela as part of the Rotary Youth Exchange program. He'll be gone for one year learning all about the culture of that part of South America.

I understand this is the first outbound exchange student Antioch Rotary has sponsored in a long, long time. I hope he has a good time. And I know he'll have lots to tell us when he gets back!

MRS. CLARENCE SCHROEDER is a grandma again! Her daughter, Mrs. William Lee Mueller of Mt. Prospect, and her son-in-law had a baby boy on Jan. 25. His name is Jason Robert and he weighed seven pounds when he was born in Lutheran General Hospital in Park Ridge.

Jason's coming home to his sister, two-year-old Krista Ann. Congratulations grandma!

IT'S A BOY! Janet and Clem Haley, of Antioch, had a baby boy Jan. 22. Todd Joseph was born on his dad's birthday. Big sister, Jessica, 2½, will surely help mom alot. Maternal grandparents are Mr. and Mrs. William Strahan of Antioch and paternal grandfather is Mr. Tom Haley Sr., also of Antioch.

I'D LIKE TO remind everybody that the seventh annual Antioch Lion's Club Bowling Tournament for members, their wives and guests is not too far away! This Sunday it will start at the Antioch Bowling Lanes, with sign-up at 12:30 p.m., bowling at 1 p.m. and a banquet afterwards.

The price for bowling and dinner is \$13 and dinner only is \$8. I hear there are prizes, and prizes and prizes galore to be given away! If you want to know more about it, don't ask me, but call Bob Lindquist at 395-2087.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Outside interests require more energy but don't neglect personal aims; try to reach a happy medium. If others offer advice or criticism accept it graciously.

TAURUS [April 20-May 20] - There's room for improvement with working conditions so take advantage of an opportune week. Show a willingness to learn new skills which can aid in boosting career.

GEMINI (May 21-June 21) - Prepare for a brighter future as things are definitely improving. New studies or group activities which provide a chance to gather insight are especially appealing now.

CANCER [June 22-July 21] - Joint business concerns can be rewarding if handled in a business-like manner. Let partner have a say, especially where finances are involved.

LEO [July 22-August 21] - More is achieved this week by suppressing a tendency to be too aggressive and letting others take over some responsibility.

VIRGO [August 22-September 22] - The week can be confusing if care is not taken to set forth a sound work routine. Make an extra effort to communicate with co-workers so pending projects can be completed.

LIBRA [September 23-October 22] - Profitable ventures are indicated but don't risk acting on impulse alone; research new offers carefully before investing. This can be an exciting week.

SCORPIO [October 23-November 21] - Make purchases to improve home surroundings, lift your spirits as well. Include family members in your special plans.

SAGITTARIUS [November 22-December 20] - A high energy trend gives the capacity to cover more ground than anticipated. Get letters and communicate with those who can aid in getting new activities underway.

CAPRICORN [December 21-January 20] - A personal asset should come first now as new incentive to expand comes into focus. Be ready to try new plans, ideas that can help to broaden your financial horizons.

AQUARIUS [January 21-February 19] - First get pending obligations out of the way so your can make good use of your vitality and stamina, then planning a good routine. Make revisions if needed.

PISCES [February 20-March 20] - Deal only in matters that are above reproach, avoid shady situations. Trust your own good judgment rather than one who adds confusion to issues.

State Bank introduces automated banking system

WILLIAM E. BROOK, president of the State Bank of Antioch, operates "Bucky Banker," your 24-hour teller, the first automated banking and money-dispensing machine in this region. Shown with Mr. Brook is Marcia Fox, Assistant Cashier, who will be supervising the daily operation and balancing of the equipment.

The State Bank of Antioch announced the introduction of a revolutionary new concept in banking with the arrival of the first automated banking and money-dispensing machine in this region: "Bucky Banker," your 24-hour teller.

In making the announcement of this new automated banking concept, State Bank President William E. Brook said the new system will make it possible for bank customers to obtain cash or conduct banking transactions 24 hours a day, 365 days a year.

"Bucky Banker," your 24-hour teller, has been temporarily installed in the lobby of the State Bank, and first public demonstrations of the new equipment will begin Feb. 15 and continue for five weeks.

Thereafter, it will be installed permanently in the wall of the foyer in the main entrance to the bank.

Demonstrations will be conducted daily during regular banking hours by trained personnel. As a special promotion during this period, everyone is invited to enter

the weekly "Bucky Banker" drawing for a \$50 savings account.

In addition, a number of adorable, cuddly, stuffed "Bucky Banker" beavers and colorful, original "Bucky Banker" T-shirts will be given away each day.

"Bucky Banker," your 24-hour teller, will allow customers to receive cash, make deposits, make loan payments, and transfer funds between accounts anytime, day or night.

All customers need is a specially encoded "Bucky Banker" card; and according to Brook, every customer with a personal checking account is eligible to apply for one.

Brook extended an open invitation to everyone to come in for a free demonstration of "Bucky Banker," at which time, they can pick up an application for a "Bucky Banker" card, enter their name for the weekly "Bucky Banker" drawing for a \$50 savings account, and possibly be the lucky winner of a stuffed "Bucky Banker" beaver or T-shirt.

Analgesia - Darvon

[Editor's Note: This column by pharmacist Don Mendrala of Antioch Drugs is intended to be informative only and is not to be construed as medical advice.]

By Don Mendrala

Darvon, known generically as propoxyphene was introduced in 1955 by Eli Lilly & Co. It is a prescription drug available as tablets, capsules, and an oral suspension. Darvon is indicated for the relief of mild to moderate pain; it is structurally related to Methadone, and although its general pharmacologic properties are those of the narcotics, it is much less potent as an analgesic. Darvon acts in the brain and spinal cord in the areas involved in the perception of pain. Darvon requires as a general rule up to 1 or 2 hours for its full benefits to be realized, and these may last for a period of 4 to 6 hours.

Possible side effects of Darvon are drowsiness, lightheadedness, and constipation. These effects are seldom serious once the patient is informed and can take appropriate measures such as avoiding driving, if necessary. It is important to realize the Darvon used in combination with tranquilizers or depressants, including alcohol, will produce an additive effect and make drowsiness a much larger factor.

Patients must also be warned not to exceed the dosage outlined for them by their doctor. Toxic effects and fatalities have occurred following overdose of propoxyphene alone and in combination with other depressants.

Propoxyphene can produce psychological and physical dependence if used in large doses for prolonged periods of time.

One final note due to the way propoxyphene is metabolized in the body, heavy smoking will speed propoxyphene's metabolism thereby decreasing its effectiveness.

Happy Birthday to the man who made birthdays the only time you really need a candle.

On February 11, 1847, Thomas Alva Edison was born into a world without electric light. A darker and less comfortable world than ours.

Since this year marks the Centennial Celebration of his greatest invention, the incandescent bulb, we thought his birthday deserved more than the usual attention.

We'd also like to draw your attention to our low-cost Light Bulb Service. It's the most economical way to keep your home supplied with Mr. Edison's greatest

invention. If you're not a member of our Light Bulb Service, you're missing out on a real bargain. For no more than \$8.95 a month added to your bill, you can get most of the popular sizes of light bulbs at any authorized Light Bulb Agent or Commonwealth Edison office.

We're the only electric company in the country that does this. It's one way we can help keep down the cost of lighting your home.

If you'd like to take advantage of the Light Bulb Service, just call us.

Exchange student takes challenge

Continued from page 8

Financially, Matt is only expected to pay the round-trip plane fare and make a small deposit as a "floating fund" in the case of an emergency.

The Antioch Rotary is furnishing him with \$20 per month for spending money and the rest of the expense is with the host family; as though he were their own son.

He said he must follow strict Rotary rules while there as he can be sent back at any time for breaking any law or in any way embarrassing the United States.

"It's a maturing challenge," his father added.

He may not drink alcoholic beverages while there and can not drive a car, as the Rotary will not allow this. Matt added that the international driver's license age is 18.

Matt, who is very active on the track team at school, said he would probably participate in track while in South America just as though he were in Antioch High School.

He added that the "big sport" in Venezuela is basketball.

HE WILL BE attending school there at the beginning of their second semester and will get out for break sometime in July. He expects to come back next January and spend second semester at Antioch in order

to graduate with his class.

His parents said they may visit him sometime in August.

When he has returned to Antioch, he will give the Rotary a presentation of what life is like in Venezuela after being "totally immersed" in that culture.

Matt will not be alone as the only American in the country, as nine students from Rotary Clubs throughout the Midwest will be flying with him Wednesday to Venezuela and Columbia.

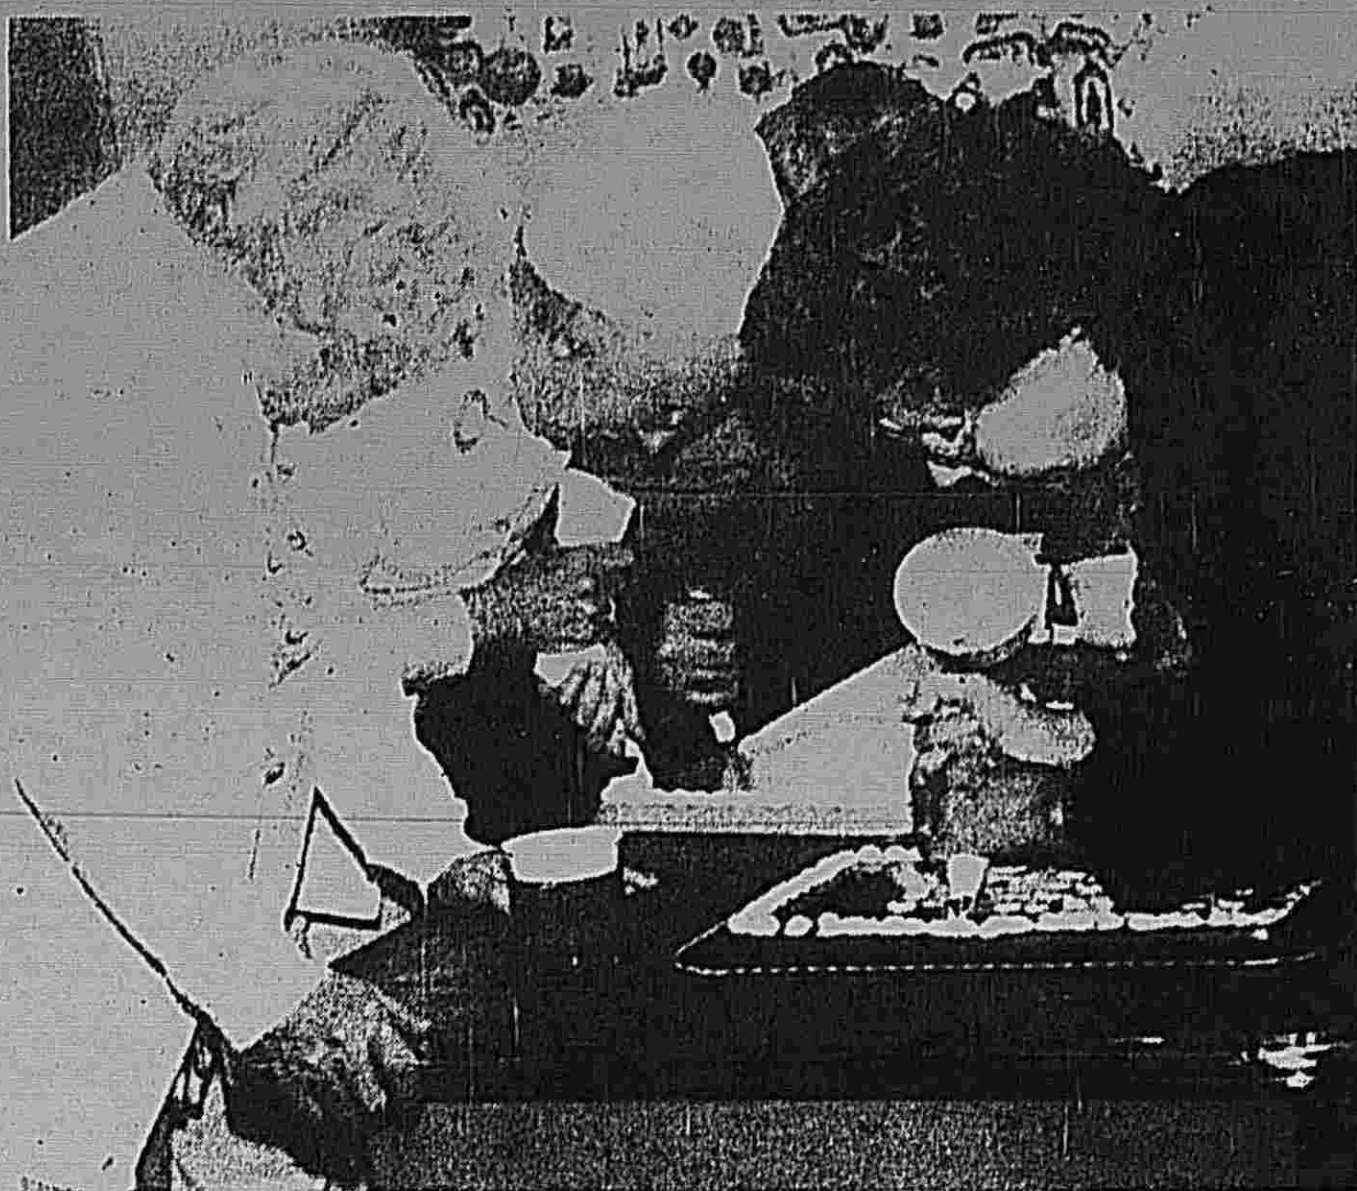

Three students, Matt plus a girl from Wisconsin and one from Michigan will be in San Cristobal with him, but under different host parents.

When asked whether Matt would miss his father, an instructor at Harper College, or his mother, a supervisor at St. Therese Hospital, or his sister, Sara, a freshman at Antioch High School, or his girlfriend, or even his dog Smokey, he said,

"Sure I will. I'll miss a lot of people. But it's something I've really been looking forward to."

And it may be a little intimidating, but it's also, to Matt, one of those once-in-a-lifetime chances at an experience that's bound to widen both his perspective and the people he comes in contact with.

And that is, after all, what the program is all about.

Family Service Agency opens office

The Family Service Agency of North Lake County will open a new office in Antioch on Monday.

According to Dick Mitchell, executive director, the new office at 876 Hillside has been made possible through the United Way of Lake County funding and planning.

"In the autumn of 1976 the United Way Board of Directors initiated a 'Counseling Study & Plan' for Lake County in an effort to provide professional counseling outreach offices within a six-mile radius of any Lake County resident's home," Mitchell said.

He said, "On the basis of those studies, and an indepth evaluation of Family Service Agency's program and administration, we were requested to implement the 'Counseling Study and Plan' by expanding our services into three communities: Lake Villa, Zion and Antioch.

The time table established for the opening of these three offices has been completed as planned, Mitchell said. Lake Villa opened Feb. 1, 1977, Zion on March 10, 1978 and now Antioch on Feb. 19.

The Antioch office shares space in the American Family Insurance Building on the corner of Hillside & Orchard.

Two trained therapists will staff this office, Mr. Ned Rusin, psychologist and Mrs. Shirley Beckett, social worker. Appointments can be made by calling 395-8723, Mitchell said.

Family Service Agency is a not-for-profit counseling

service with a history of over 30 years experience in bringing strength to families under stress.

Our clients are those with a wide range of family and personal difficulties including marital problems, parent-child conflicts, childrens and adult adjustment problems, Mitchell said.

Because the United Way supports us we are able to bring our professional services to our clients on a sliding fee scale basis. Those unable to pay are treated free of charge.

An open house will be planned later this spring when the weather and snow improve, Mitchell concluded.

FINANCIAL NEWS

(Editor's Note: This financial news column is designed for the general education of our readers. Mr. Schaub, assistant vice president of the Antioch Savings & Loan Association, will discuss areas such as taxes, insurance, investments and financial planning in general.)

By PHILIP SCHAUB

The important filing dates in February and March that I am aware of are as follows:

Wednesday, Feb. 14 - This is no longer the due date for IRA contributions. You now have until the date for filing your tax return to make such contributions (Apr. 16 this year).

Thursday, Feb. 15 - You must deposit income and social security taxes withheld from employee salaries in January if you withheld a total between \$200 and \$2,000. The due date was February 5 if you withheld more than \$2,000 total. Use Form 501.

Wednesday, Feb. 28 - Employers must file W-3 Transmittal Forms with copy A of W-2s given employees. Businesses must file 1096 Transmittal Forms with copy B of any 1099s given out.

Monday, March 5 - Income and social security taxes withheld in February are due if you withheld more than \$2,000 total. Use Form 501.

Thursday, March 15 - Income and social security taxes withheld in February are due if you withheld more than \$200 but less than \$2,000. Use Form 501.

Corporations on a calendar year basis have to file Form 1120 income tax return. If you need an extension, file Form 7004 and pay 50% of your unpaid income tax. Use Form 503 to make the partial tax payment.

Calendar year, tax-exempt organizations who had more than \$1,000 of "unrelated" business income have to file Form 990-T. Normal filing of Form 990 is Tuesday, May 15.

Accrual basis corporations must pay any salary, interest and other expenses for 1978 owed to a cash basis majority shareholder. If the corporation misses this deadline, it loses its deduction for such payments.

This column is meant for the general education of Antioch News readers. It is not meant to prompt action on anyone's part. Before taking any action suggested to you by this column, check with your attorney, accountant or the IRS. You can reach the IRS at 435-1040 (toll-free, 800-972-5400). Recreation programs to include gym nights

Antioch Parks and Recreation has planned its winter/spring programs that will be starting in March, including gym nights and basketball contests.

They include: girls gym night, from 7 p.m. to 8:30 p.m. beginning March 13, for fourth through ninth graders at Oakland Grade School. The fee is \$5.

Also, boys gym night will be held from 7:30 p.m. to 9 p.m. for seventh, through ninth grades beginning March 20 at Antioch Upper Grade School. The fee is also \$5.

Also, a special basketball hoopshot contest will be held from 1 p.m. to 3 p.m. on March 10 at the Antioch High School gym. It is open for girls and boys ages eight through 13.

The fee is \$1.50 and applications may be picked up at the Park and Recreation office at 874 Main St. They are to be turned in no later than March 7.

Parks and Recreation will also sponsor a Kite Flying Day on March 31 (weather permitting). Youngsters are invited to bring any kind of kite to Williams Park to fly.

The annual Easter Egg Hunt will be held at 1 p.m. at Williams Park on April 7.

The Parks and Recreation department will be participating at the Recreation Expo at Lakehurst on March 3 and 4.

For any questions about the program, call the Recreation office at 395-2160.

Antioch students to read for March of Dimes Olympics

Children helping children. That's what the March of Dimes Reading Olympics is all about.

During February, Antioch elementary students will be reading all types of books — mysteries, adventure stories, biographies, fiction or non-fiction — for a pledge to the March of Dimes.

The Reading Olympics allows students to improve individual reading skills while funding programs for the prevention of birth defects. Participants sign up sponsors who pledge money to the March of Dimes for each book read.

"We know that children are reading less than ever before. The March of Dimes Reading Olympics, however, is an effective way for children to develop a love of reading," said Dorothy Hamill, Olympic skating champion and National March of Dimes Reading Olympics chairwoman.

"And every child who takes part is a winner," she added. Each participant wins an Olympic-style medal and a Certificate of Appreciation.

All funds raised by the Reading Olympics help support March of Dimes programs in research, medical service and public and professional education for the prevention of birth defects and improvement of newborn health.

Elementary school students interested in joining the Reading Olympics team should contact the children's librarian at the Antioch Township Library at 395-0874 or Marguerite David at the March of Dimes, 341-1370, ext. 54.

Lake County Vocational Center to host Round Table meeting

The Lake County Area Vocational Center will host the Chicagoland area Round Table meeting on Friday, from 4 p.m. to 6:30 p.m.

Held during National Vocational Education Week (Feb. 11 through 17), this meeting will give vocational instructors from approximately 162 area schools the opportunity to become more familiar with LCAVC programs and curriculum.

Round Table meetings are held about five times per year, each time at a different host school. Approximately 250 persons, most of them industrial arts instructors and administrators, are expected to participate.

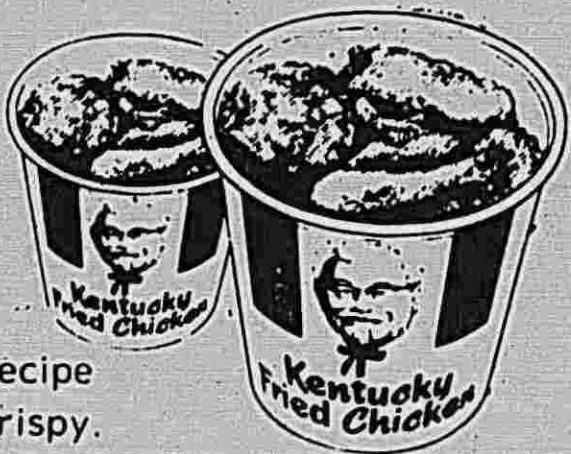

The purpose of the meetings is to share views and ideas on instructional approaches and materials for vocational programs.

A buffet dinner will be offered for all participants at 7:30 p.m. at the Stratford Hall in Grayslake, Ill. The LCAVC Commercial Food Service students will be preparing this meal.

Numerous displays and demonstrations will be held in all LCAVC program areas and a variety of vendors will be donating door prizes for participants.

For more information, contact Ed Wilson at LCAVC, 223-6681, extension 213.

Girl's varsity maintains 1-game conference lead

Last week the Antioch girls varsity basketball team gained two more victories to maintain a one-game lead in the Northwest-Suburban conference.

Last Tuesday, Antioch defeated Warren 38-33 in a closely contested game.

Tied at 14 at the half, the Sequoits outscored Warren 14-8 in the third quarter and hung on for the victory. Top scorers for Antioch were Tracy Manuel with 12 and Chris Byrne and Kathy Bailey with 9.

Last Saturday, Antioch beat Stevenson 34-32. Jenny Behne made two free throws with 20 seconds to go to seal the victory. Tracy Manuel was again the top scorer with 18; 16 gained in the second half, Coach Chris Coolidge said.

The two victories left Antioch on top of the conference with a 7-1 record. Next Tuesday Antioch plays Grayslake at home and Saturday they play at Grant.

Upper Grade wrestlers continue winning ways

The Antioch Upper Grade wrestling team continued its dual meet winning streak this past week by defeating a good Barrington squad 53-32 and a Tundahl of Crystal Lake 52-27.

Last Saturday, the Apaches wrestled in the conference turney at Harvard, and placed second, by one point behind Barrington, 225-226. Barrington had all weight classes filled, while the Antioch Apaches could not fill the 170 pound and heavyweight classes.

The Apaches had 10 finalists of 16 entries, with eight champions for first place.

Barrington had only three champions, but 12 thirds, and six seconds.

The Apache wrestlers wrestled a fine tourney and are to be commended for their superb effort, Coach Ken Anderson said.

Place winners for Antioch were Ken Sandrik, fourth; Tim Prining, fourth; Bob Tarsitano, second; Tad DeRousse, first; Steve Case, first; Tim Curtis, second; John Oelkers, first; Andy Lehn, first; George Besette, first; Tibor Jung, first; Bill Carney, first and Jeff Niese, first.

The Apaches wrestle Cooper and Sandburg at home this week, and away at the Apollo tourney on Saturday.

Ed Poulos wins basketball contest

Local basketball fans weren't happy to see Antioch lose by one point to Wauconda last Friday, but there was some consolation for Ed Poulos.

He had picked Wauconda to win by four and consequently won the weekly Antioch News basketball contest. First prize was worth a \$15 gift certificate at Andre's Steak House in Richmond, and we'll be sending it to Ed.

Tied for second in the contest, because they each picked Wauconda by five points, were Tim Huebner and Chuck Janka.

Since Tim came closest in the tie-breaker, he will be sent a \$10 gift certificate from Gibbs and Jenssen's Carousel while Chuck will receive third prize — \$5 in cash from the Antioch Counseling Clinic.

The most faithful Antioch fan of all was Derek Klein of Lake Villa, who picked the Sequoits to beat Wauconda by 39 points. (If only it had happened!)

Another contest, with \$30 in prizes, appears in today's paper. Be sure to enter.

One-point loss hurts Sequoit chances

Antioch's hopes for another Northwest Suburban Conference basketball championship were just about erased last Friday when the Sequoits lost a 62-61 decision at Wauconda.

The thrilling, down-to-the-wire game was typical of the entire conference season, which has seen six of the eight teams very evenly-matched and knocking off one another with no respect for any "Favorites."

Back in December, Wauconda's Bulldogs were undefeated when the Sequoits upset them here 68-65.

THE TOP SURVIVOR of this intense conference turmoil is Warren, which now leads with a 9-2 record. Wauconda has taken over second place with an 8-3 record while Antioch and Grant now share fourth at 7-4.

Two equally-potent teams, Lake Zurich and Stevenson, have 6-5 records while the two cellar-dwellers are Grayslake (1-10) and Round Lake (0-11).

ANTIOCH PLAYS AT HOME this Friday against Lake Zurich at 8 p.m. If the Sequoits win, their record will be 8-4 and it would give them a slim chance to eventually share in the conference title ... but only if Warren and Wauconda suffer some defeats in their final three games.

This Friday, Warren is almost a cinch to beat Round Lake but, after that, the Blue Devils play at Wauconda Feb. 23 and then in Antioch Mar. 1.

IN LAST FRIDAY'S loss at Wauconda, Roger Korjenek and Pete Ploss each scored 18 points for the Sequoits while Chris Oddsen pulled down nine rebounds.

Wauconda grabbed a 30-21 lead in the second quarter but Antioch fought back to go ahead 33-32.

The Sequoits pulled ahead 43-37 in the third quarter on what coach Roger Andrews called "some sound basketball," but at the end of the period a desperation shot by Wauconda's Perry Lubera cut the Sequoits' lead to 49-47.

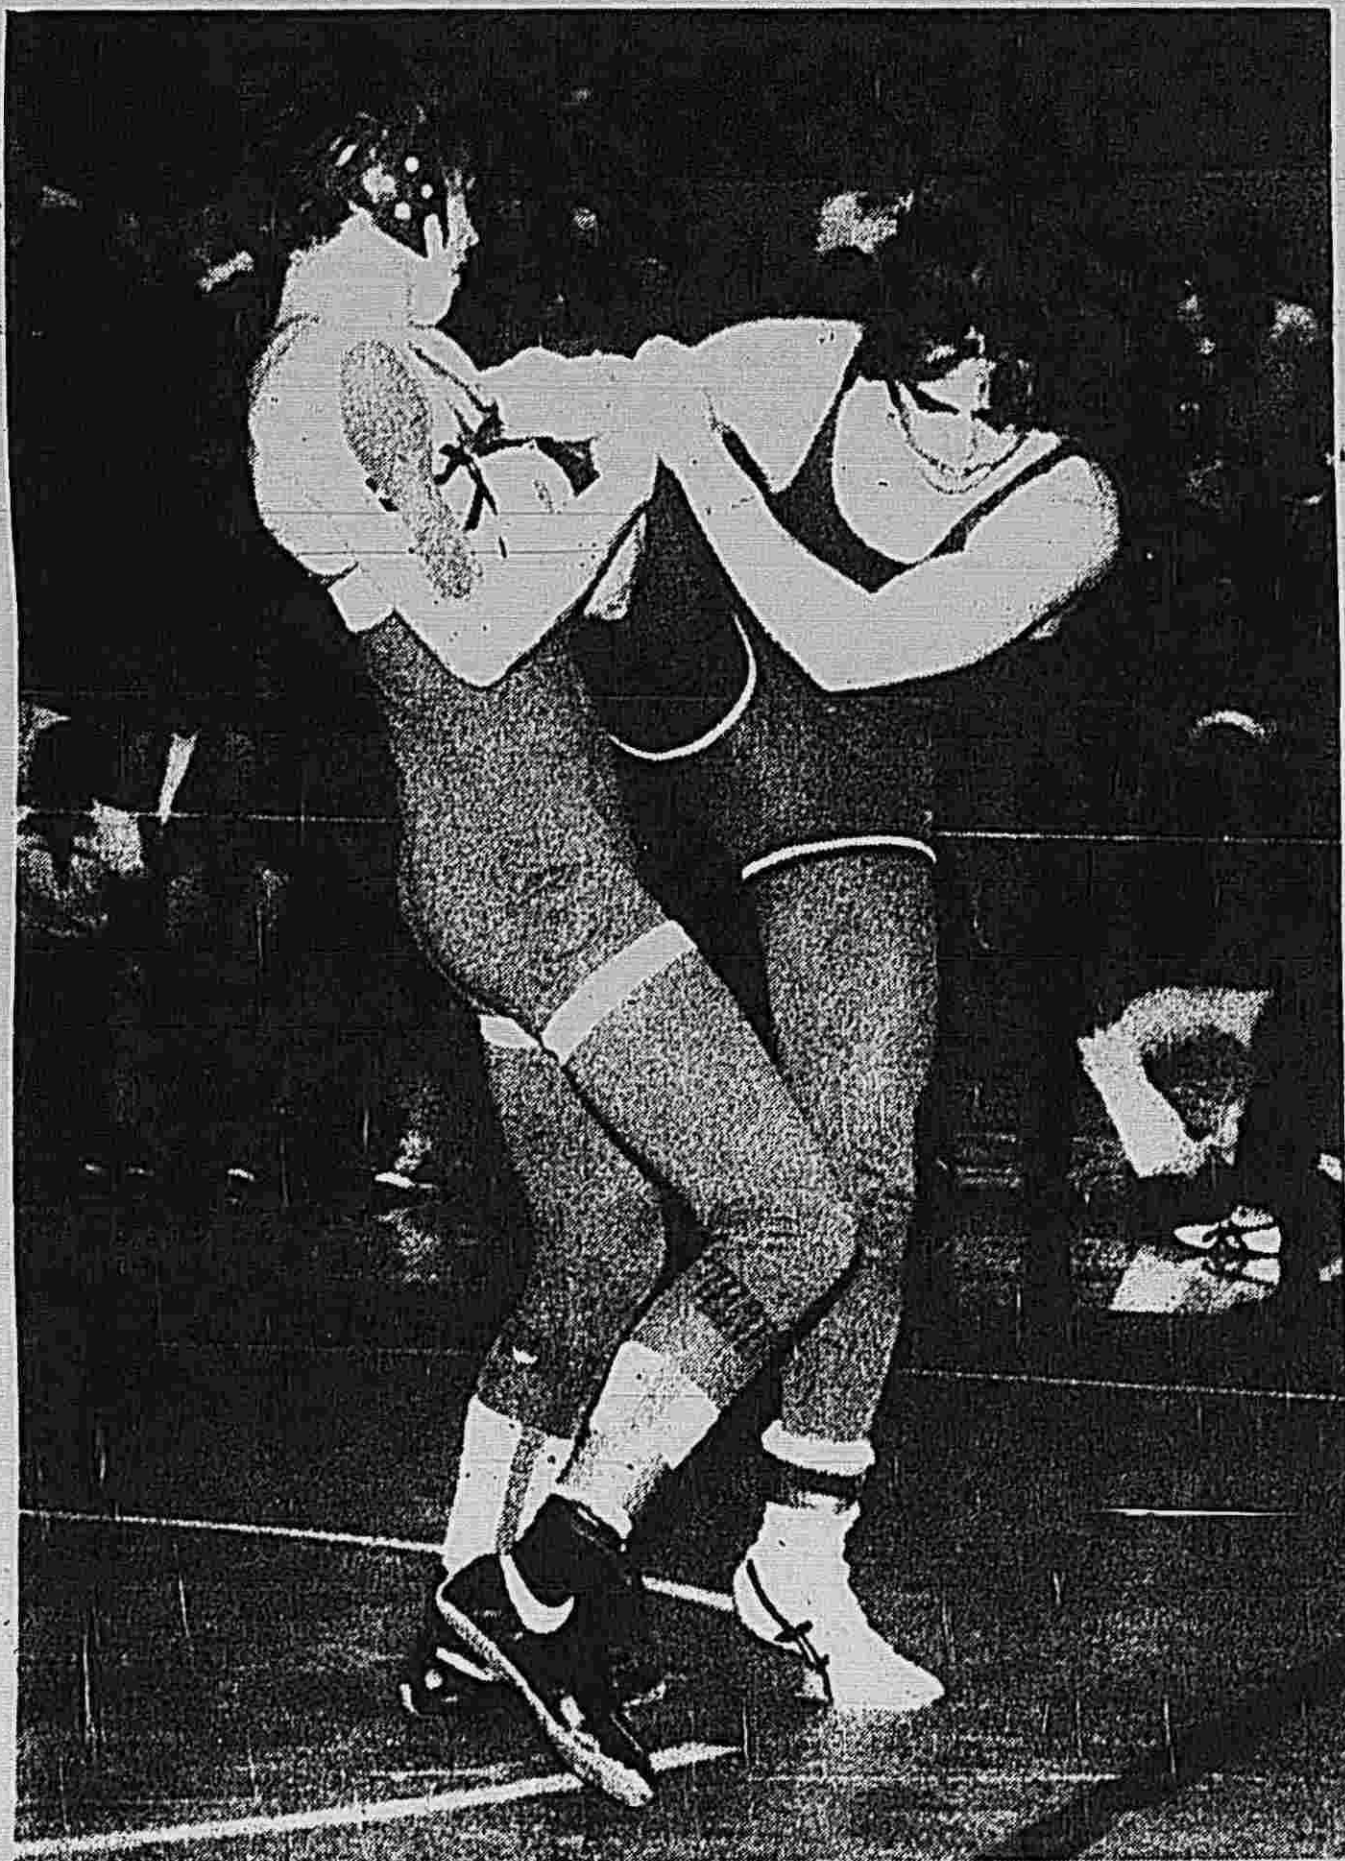

In the fourth quarter the Sequoits hit on only four of their 13 shots from the field and were trailing with three minutes left. Scott Gallagher had sprained an ankle and was out of the game, plus two other starters had fouled out.

Wauconda went down to the wire with a 62-59 lead but, on the last play of the game, Pete Ploss scored on a feed from Roger Plechaty to cut the final margin to one point.

IF YOU CAN'T go over or under, go around, so Roger Korjenek passes into Chris Oddsen in order to give Antioch two points in last

Friday's game against Wauconda. (Photo by Andy Dugenske.)

"LEGGIO OF MY LEG!" says Marvin Gibson's opponent in the district wrestling tournament last week. But Marvin went on to win another individual championship for Antioch's Sequoits. Grant won the team title, with the Sequoits second. (Photo by Paul Maplethorpe.)

17 prizes awarded in annual Ice Fishin' Derby

Seventeen major prizes were awarded Sunday in the 1979 Ice Fishin' Derby held on Channel Lake, derby coordinators announced.

Sponsored by the Northern Illinois Conservation Club and the 885 Club, the derby had beautiful weather on Saturday. On Sunday, when the weather was not quite as sunny, even more people turned up at the event which traditionally draws thousands.

Joe Titus, secretary of the 885 Club said both the Conservation Club and the 885 Club are "most appreciative of the support all of our friends gave us for the conduct of the derby."

The most outstanding catches and a complete list of donors to the derby will appear next week, Titus added.

Following are the winners of the prizes of the '79 Ice Fishing Derby drawing.

The Grand Prize of a \$1,000 Savings bond went to Irma Bachi of W. Higgins Street in Chicago.

Also, a Jiffy power ice auger donated by John Teresi Chevy-Olds was won by Ainsley Brook of Antioch; a Schwinn ten-speed bike donated by Lyons-Ryan Ford was won by Chuck Duha of Rte. 5, Antioch;

Antioch swimmers set record in 'Swim-A-Rama'

A HAPPY GROUP of Antioch area boys of the Waukegan Swim Team receive a check from Bill Brook, president of the State Bank of Antioch for their participation in the eighth annual marathon "Swim-A-Rama" which will help with next season's expenses. Participating team members are: first row from left, Russell Ivy, Matt Ludwig, Tom Nicholl and Kris Shepard. Second row from left: John Ludwig, Bill Brook, presenting check to Jack Fields and Kevin Shepard.

The weekend of Jan. 26, 27 and 28 saw 135 boys and girls, 24 from the Antioch area, churning the waters of the Waukegan YMCA swimming pool in the eighth annual "48-Hour Swim-A-Rama."

The marathon swim began at 4:30 p.m. on Friday with the firing of the starter's pistol. When the final shots were fired 48 hours later, the group of swimmers had traveled a record 1,964 and one-quarter miles. Antioch swimmers set a team record of 469 and one-quarter miles.

The State Bank of Antioch sponsored the Antioch area swimmers and presented them with \$250 to help support the team and cover their expenses for the next season, including transportation to and from swim meets, team suits, entry fees and rental of an official-size pool.

Top swimmers for Antioch were Jack Fields, 18, who covered 60 miles and set the intermediate and boys record, and Karen Shepard, 16, who swam a long 45 miles and set the intermediate and girls record.

Russell Ivy, 8, swam an outstanding 25 and one-quarter miles to set the cadet record.

Others listed with age and swimmers mileage are as follows:

Jennifer Czapewski, 15, 22 1/4; Judy Houghton, 16, 25; Ann Ivy, 13, 23; Margaret Ivy, 14, 21; Colleen Kelly, 10, 6 1/4; Kaky Kelly, 11, 18 1/4; Kerry Kelly, 12, 18; Kirsten Kelly, 7, 2 1/4; John Ludwig, 15, 19 1/4; Matt Ludwig, 12, 20 1/4; Cindy Morris, 9, 10; Brandy Nicholl, 11, 15 1/4; Tom Nicholl, 10, 18; Katie Shepard, 12, 15; Kevin Shepard, 18, 15; Kris Shepard, 11, 15; Brian White, 10, 15; Craig White, 14, 25; Kim White, 6, 4; Ted White, 15, 30; and Julie Wierschem, 13, 20.

Little League needs umpires, managers

The Antioch Little League Baseball program is looking for managers on the senior, major and minor league levels.

The league is also in need of umpires for the upcoming season.

Anyone interested in working with the Antioch Little League program should contact Chuck Geist at 395-2449 or Andy Proctor at 395-0805.

The next meeting is scheduled for Thursday, Feb. 22 at 7:30 p.m. at the Firehouse.

Anyone who would like to help should attend.

Dug Out Park lists dates for softball

Dug Out Park in Trevor, Wis. has set the dates for its 1979 softball league meetings.

The men's 12 and 16 inch meetings will be held at Furlan's Dug Out Inn at 7:30 p.m. on Wednesday, Feb. 28.

The Women's 16 inch league meeting will be at 7:30 p.m. on Friday, March 2. All captains, sponsors and players are welcome to attend.

For further information please contact Tom Furlan at (414) 862-9136 after 5 p.m.

Dug Out Park's sixth annual Snowball Tournament was held over the past weekend, and a lot of snow added to the excitement.

The Consolation Division was won by the "Bushwackers" of Palatine. First place went to the "Pacers" of Addison over the "Kids" of McHenry, which took second.

The games were played with tires for bases and red, white and blue softballs.

Limerick is unbeaten in Antioch loop

The Limerick Lounge has something in common with Indiana State's basketball team. Both are undefeated.

The Limerick boosted its record to 13-0 last week with a 62-46 victory over the State Bank in the Antioch Men's League.

Mike Perrone and Steve Bentel led the Limerick with 18 and 16 points respectively while Jeff Dresser topped the State Bank with 18.

This week, Limerick plays Century 21 (7-6) while the State Bank goes against the Wharf (4-9). In the other game, Maestranzi Bros. (8-5) will play B.J. Sports (6-7).

B.J.'s defeated Century 21 last week 39-34 as Rick Sedar paved the way with 15 points.

The Wharf enjoyed a 63-58 win over Maestranzi's as Steve Pilcher poured in 30 points. Dick Grant hit 24 for the losers.

A dollar bill wears out in about a year and a half.

WHEN FINANCING PROBLEMS ADD UP, YOU NEED A NEIGHBORHOOD PROFESSIONAL MORE THAN EVER.

Interest rates are high but money is available. Is it a good time to buy in Chicagoland?

The Home Buyer's Seminar at CENTURY 21 offices will give you all the information you need about buying a home. Candid conversations with outside experts in many related fields will give you straight answers without a sales pitch.

You will learn that interest rates and real estate taxes are tax deductible and that monthly payments are partially offset by these benefits. You will find out why Real Estate is the greatest hedge against inflation. All these reasons add up to make this a good time to buy a home in Chicagoland.

When you decide to buy, a CENTURY 21 Neighborhood Professional is who you need. In addition to specialized information about such things as mortgage loans or revised V.A. benefits, your Neighborhood Professional will advise you on all the details: preparing the offer, negotiating the terms and closing the sale. Whatever is needed to help make buying a home as simple as one, two, three.

Call your CENTURY 21 Neighborhood Professional today, and find out about the Home Buyer's Seminar, 21 ways to finance and our Home Buyer's Kit.

NAMES in the News

LAVERDA PAYSON of Rt. 3, Antioch, won \$5,000 as a third prize in the "Big Pay Day" Cash Bonus drawing of the Illinois State Lottery.

The finalists for the \$100,000 Cash Bonus drawing were selected randomly in a preliminary drawing Jan. 4 in Lombard from among those Lottery players who matched the four-digit number on their weekly 50-cent Big Pay Day ticket.

A preliminary drawing for the Cash Bonus prize is held each time six million Big Pay Day tickets are sold.

Players who match the Big Pay Day four-digit number win \$150 and are entered automatically into the preliminary drawing for the \$100,000.

CLC schedules day to represent colleges

Over 130 colleges, universities and vocational schools will be represented at Lake County College Day to be held at the College of Lake County on Monday, Feb. 26.

The day is cosponsored by College of Lake County and Antioch High School, as well as several other high schools in Lake County.

The program is designed for area high school students interested in post-secondary education and CLC students planning on completing a four-year degree.

Representatives from as far away as Texas and as close to home as Lake Forest will be present to discuss their offerings with potential students.

Deanne Dreisbach, assistant director of financial aid at CLC, will give a presentation on financial assistance programs.

Though this cooperative program was planned by CLC and several Lake County high schools, it is not restricted to current students. Any interested person is invited to attend.

College day will be held in the main building at the Grayslake campus from 2:30 p.m. to 5:30 p.m. and 7 p.m. to 9 p.m.

CLC classes will not be held on Feb. 26 in order to allow students to participate in the program.

For more information, call CLC counselor Nancy Lecraw at 223-6601, Ext. 403.

Holiday mail schedule set for Feb. 19

The usual holiday mail schedule will be in effect Monday, Feb. 19 in observance of Washington's birthday. Postmaster Wayne Van Heirsele said.

This means there will be no regular residential or business deliveries and lobby window service will not be available, he explained.

However, Special Delivery and lockbox service will be available from 8:30 a.m. to 5:30 p.m.
